My 2003 lincoln aviator needs to have the axle housing mount bushings replaced. I found the items online. How - Answered by a verified Lincoln Mechanic

My 2003 lincoln aviator needs to have the axle housing ...

My 2003 aviator awd acts like in*****all the time. The front axle assembly is locked each front wheel does not wheel independently. . The car tightens up and make loud clunking noises on turns. As car gets warmer the clunking gets more prevalent in all operations. You can reduce the level for a very short time by backing and then going forward.

My 2003 aviator awd acts like in all the time. The front axle...
