Car Trouble A Childhood On

Car sickness is a type of motion sickness. Motion sickness occurs when the brain receives conflicting information from the inner ears, eyes, and nerves in the joints and muscles. Imagine a young child sitting low in the back seat of a car without being able to see out the window — or an older child reading a book in the car.

Car sickness in children: Can I prevent it? - Mayo Clinic

Get this from a library! Car trouble : a childhood on four wheels. [Wensley Clarkson] -- Presents a portrait of a middle-class boy, virtually left to run his own life in one of the world's biggest cities; yet through that neglect emerged a quick-witted survivor whose life was uniquely ...
