I have a Carrier unit Serial # 3099E22565, Model # 38CKC060300, Product # 38CKC060---301--. From looking around on here I believe it was manufactured in the 30th week of 1999 and is a 3 Ton unit. However I just would like to double check before ordering a replacement unit so I don't get the incorrect size. Thanks for any help you can provide as it's much appreciated.
