## **Effective Group Discussion: Theory and Practice ...**

Discussion Techniques Group discussion is not a debate in which you either support or oppose the topic. There are no clear cut positions or stands to be taken. Group discussion is a continuous discussion, a live interaction in which you examine a subject or problem from different angles and viewpoints.

## **Successful Group Discussion Techniques | Management Study HQ**

An effective discussion group depends on a leader or facilitator who can guide it through an open process – the group chooses what it’s discussing, if not already determined, discusses it with no expectation of particular conclusions, encourages civil disagreement and argument, and makes sure that every member is included and no one dominates.
