Amazon.com: Customer reviews: Flipping Houses For Dummies

One important rule in house flipping is to never over-improve a property. Research similar properties in the area to determine the fair market value for the house you're flipping, and then plan your repairs and renovations to improve the property to that point or slightly better. You're likely to have trouble selling a \$350,000 property in an area where the best houses are selling for \$275,000.
