How to Make Them by Joan ...

In many countries around the world, children can't buy toys because they're too expensive. So these children learn to build them themselves. In Italy until the '60s, these types of handmade toys were widespread. With the rapid rise in the standard of living, children could purchase toys in stores. ... toys hand-

Folktales for Kids at World of Tales

The Motanka rag doll is a traditional hand-made toy from this country. It is representative of the goddess of fertility, Roshanytsa. Unlike rag dolls from other countries, the Motanka is cross-shaped and faceless. The cross on the face is symbolic of the positive energy inside the doll, while a cross stitch on the chest
