Wikipedia

His basis for saying that is from Freud's idea that religion is an outcome of human fear, a fear that came from speculation of a higher being, a higher authority. Freud's argument about religion is that it is the output of what he called the "Oedipus complex" or the sexual desire of the son to the mother

Twenties: A Psychoanalytic ...

Sigmund Freud's most influential teaching is his sexual reductionism. As an atheist, Freud reduces God to a dream of man. As a materialist, he reduces man to his body, the human body to animal desire, desire to sexual desire and sexual desire to genital sex. All are oversimplifications. Freud was a
