In "Hornets over Kuwait" I found again his lively style full of humour and self derision. I loved his description of the F/A-18 Hornet that I flew myself in the Swiss Air Force: his very accurate description is easy to understand even for non aviators. I only disagree with his very negative appreciation of female pilots.

Don't turn to Hornets Over Kuwait for enlightenment on the "grand strategy" of the Gulf War; none is forthcoming--nor should it be. This is a is a first-person memoir of the war from the cockpit and the author's perspective is only as wide as his FA-18's windscreen. It's a lively narrative history told in the patois of the fighter pilot.
