### Welcome to Indian Chemical Council (ICC)

From 1947 to 2017, the Indian economy was premised on the concept of planning. This was carried through the Five-Year Plans, developed, executed, and monitored by the Planning Commission (1951-2014) and the NITI Aayog (2015-2017). With the prime minister as the ex-officio chairman, the commission has a nominated deputy chairman, who holds the rank of a cabinet minister.

### Five-Year Plans of India - Wikipedia

While the industry's 15-year performance still looks good, a closer look at the past five years is less favorable: not only have chemicals lagged the total stock market since 2011 in TRS performance

but the industry's return on invested capital (ROIC) performance has flattened, and for some chemical subsectors, decreased.
