lecture. 1. First lecture
Rural Sociology. 2. The
Meaning of Sociology
The word sociology is a
combination of Latin
word 'socius' and
Greek word Logus, -
Logus means study on
a high level and socius
points to society. Thus,
sociology means the
study of society on a
highly generalized or
abstract level. In other
words, the meaning of
sociology is the
'science of society'.

**NPTEL :: Humanities
and Social Sciences -
Rural and Urban ...**

Rural sociology's foci historically and contemporarily have followed closely what is generally meant by "rural". In general, the term was thought to have three meanings. First, "rural" often was a short-hand for areas with relatively low population density.
