## **Motorola DCH6416 Manuals | ManualsLib**

The Motorola DVR can be operated with a variety of remote controls. Cable operators are not locked into a specific model, though two forms of the "silver remote" (one with DVR-specific controls at the top and one without) are the most common. Both of these remotes are programmable - most of the buttons can be remapped to support functionality that is either not normally deployed (30-second skip ...
