Renault Workshop Repair | Owners Manuals (100% Free)

The Renault Laguna is a large family car by European standards, and was marketed by the French manufacturer Renault from 1994 to 2015. The first Laguna was launched in 1994, the second generation was launched in 2000, and the third generation was launched in October 2007. The regular production Renault passenger models are unrelated to the concept car of the same name, the Laguna, a two seater ...

Renault Laguna - Wikipedia

This problem may also mean that your car is consuming an unusually high amount of engine oil. Solution: You will have to remove the EGR Valve and try cleaning it out. If this does not solve your problem, you will need to replace the part. ... Reading these common Renault Laguna problems should help you find out what is wrong with your
