The rt 1000 I have never ridden a 800 rev. But I do own a 1000 rt. I have been very happy so far with my 1000. Im a big guy and I have no problem using the sled to do anything i want. I ride with a group of buddies who have dragons and m8's and a couple xp's and I can go and do anything they can do. If you go for the 1000 you wont be disapointed.
