Sports Law In The Eighties

Sports law in the United States overlaps substantially with labor law, contract law, competition or antitrust law, and tort law. Issues like defamation and privacy rights are also integral aspects of sports law. This area of law was established as a separate and important entity only a few decades ago, coinciding with the rise of player-agents and increased media scrutiny of sports law topics.

The other side of sports law is much more to do with the commercial nature of sport. Athlete and player contracts are a typical example but sports law is heavily involved in stadium development, financial administration issues, sponsorship deals and broadcasting rights. Of course, there are elements that don't fit neatly into either category.
