Storm Thief Chris Wooding

"Storm Thief" was the first story I ever read from Chris Wooding; it was because of the detailed, rapturing way that Wooding presented this story, that as soon as I read the last word, I knew I had to have more from this writer. "Storm Thief" presents an alienated universe in which crime runs rampant, hope is nonexistent, and life is chance.

Chris Wooding is, without a doubt, one of my favorite authors, and he does not disappoint in Storm Thief. Dark and thrilling, he explores a civilization plagued by chaos and storms that rearrange reality (Moa's eyeshadow changes color when the storm passes through her, but it once took away Rail's ability to breathe, leaving him in need of a respirator).

Book review of Storm Thief by Chris Wooding

Once again, Wooding takes fantasy and science-fiction conventions and gives them a good twist. Descriptions of this closed world as witnessed by teen thieves, Rail and Moa, by a golem escaped during a probability storm and by the head of the secret police himself, make very real the nature of Orokos's dystopia.
