Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Be sure to roll your shape larger than your cake. Brush this piece with piping gel. Place your ganached cake (with the cake board) on top, remember to leave the straight edge under the cake slightly so you can tuck the cover to meet in later. Trim back the sides of the fondant book cover, leaving about a 5mm overlap.
