most important of Habermas's works.

## **The Theory of Communicative Action - Wikipedia**

Jurgen Habermas built the theory of communicative action because he was looking for a way to ground social science within a theory of language. Published in a two-volume book, it would eventually become the foundation of future theories involving law, democracy, and morality. Communicative action serves to transmit cultural knowledge, renew it, and that processes ...

Adapt: Communicative Action Theory can also be effectively  
used by employees of a large organization, whose interests are  
typically represented, often inaccurately, by upper-level  
management who are not in tune with or cognizant of the  
particular issues facing lower-level staff members who constitute  
the majority of employees in the organization.

In communicative action, or what Habermas later came to call  
“strong communicative action” in “Some Further Clarifications of  
the Concept of Communicative Rationality” (1998b, chap. 7;  
German ed., 1999b), speakers coordinate their action and  
pursuit of individual (or joint) goals on the basis of a shared  
understanding that the goals are inherently reasonable or merit-  
worthy.
