## The Three

The Three is about four plane crashes that changed the world. They all happened within hours, on the same day, on four different continents. Terrorism and environmental factors are ruled out. In three out of the four catastrophic incidents, a single child survivor is found in amidst the wreckage.

## The Three (The Three, #1) by Sarah Lotz - Goodreads

THE THREE explores the fallout from this grotesque day - following narrators and accumulating evidence (the book is framed like a work of non-fiction) from around the world. The impact these children have is far-reaching, shaping political and religious movements.
