Since the first English edition of *Unlocking the Mysteries of Birth and Death*, in 1988 (Macdonald & Co.), breakthroughs in such fields as stem-cell research have propelled the medical questions of what constitutes life and what constitutes death into public debate. While these are taken up in the author's three-way dialogue *On Being Human with cancer*

Each of us creates our own karma. Our past thoughts, speech and behavior have shaped our present reality, and our actions (and thoughts and speech) in the present will in turn affect our future. The influence of karma carries over from one lifetime to the next, remaining through the latent state between death and rebirth. The law of karma accounts for the circumstances
