I have a dual screen OEM DVD installed on my 2009 Town and Country. A week ago my second row monitor stopped working (it won't power up). I already tested the DVD player on a similar minivan and it works fine, I also tested the radio system from the other minivan and I get the same problem (the VES can not be turned on via the radio system or the actual DVD player).

This one came out of a 2008 Grand Caravan SXT with both options. I won't get too deep into the features of these units, as the manual can be downloaded at Chrysler's website, but these can do a lot. You can play music off the hard drive while the kids watch Finding Nemo for the hundredth time in the back seat through headphones.
