While the research process may be the
same in all countries, the system of
universities and technikons, funding
bodies and the country's needs are
different. Examples and case studies
used are therefore relevant to the South
African reader. ... Stuart Melville, Wayne

Searching obituaries is a great place to
start your family tree research.
Obituaries can vary in the amount of
information they contain, but many of
them are genealogical goldmines,
including information such as: names,
dates, place of birth and death, marriage
information, and family relationships.
