We the Media: Grassroots Journalism by the People, for the ...

We the Media is a book written by Dan Gillmor, published in 2004 by O'Reilly. Gillmor discusses how the proliferation of grassroots internet journalists has changed the way news is handled. One of the book's main points is that a few big media corporations cannot control the news we get any longer, now that news is being published in real-time, available to everybody, via the Internet. The book received widespread praise from the demographic it covered, and mixed reviews elsewhere.

We the Media - Grassroots Journalism by the People, for ...

We will use the tools of grassroots journalism or be consigned to history. Our core values, including accuracy and fairness, will remain important, and we'll still be gatekeepers in some ways, but our ability to shape larger conversations—and to provide context—will be at least as important as our ability to gather facts and report them.
